Who we are!

The Sussex Sled Bugs Snowmobile Club's purpose is to promote the sport of snowmobiling and to make snowmobiling safer and more enjoyable for everyone. We offer an excellent variety of events to enjoy and improve our abilities in snowmobiling. Local trail rides and trips to many parts of Northern Wisconsin and Michigan are planned every season.

Club members enjoying winter on the trails.

Over the years the club has given support and guidance to many responsible people through our Club sponsored annual DNR certified Safety School. The course is held in November and is open to anyone 11 years of age or older on or before March 1st. Parents are encouraged to attend the classes with their children.

What we Do

The Sussex Sled Bugs have member events throughout the year. Here are some of the fun activities:

- ◆ Club Rides
- ◆ Charity Rides
- ◆ Poker Runs
- ◆ Summer Picnic
- ◆ Chili Cook Off
- ◆ Christmas Party (Adults and Children)
- ◆ Food Drive
- ◆ Group Sporting events

Benefits of Club Membership

The Sussex Sled Bugs are a fun loving group of people interested in the sport of snowmobiling. We are members of AWSC— Association of Wisconsin Snowmobile Clubs and WCSA— Waukesha County Snowmobile Association. We participate in the Blue Ribbon

Club organized trip to Tomahawk.

Coalition and Waukesha County Search and Rescue. As a member, you will help to protect and preserve the sport of snowmobiling for future generations.

The youngest enjoy snowmobiling too.

Wisconsin has 25,000 miles of trails maintained by club members who volunteer time to obtain land owner access, maintaining and marking trails and grooming during the snowmobile season.

It is a great way to socialize with other snowmobiling enthusiasts and meet new people. Snowmobiling is a family-oriented activity.
