September 2010

September - General Meeting Tuesday, Sept. 7th. - 7:30 pm

Message from your president.....

Welcome back Sled Bug members, the summer is almost past and it's time to start thinking of the upcoming snowmobile season. We hope you all rejoin the club and help make it another successful and memorable winter.

We would like to thank Scott & Kelly Clark for all the work they put into arrangements for the Brewer's baseball game outing and the summer picnic. The events were a big success and I am sure everyone that attended had a good time. We would also like to thank Dan & Peg Mueller for furnishing hamburgers and brats for these events. They were delicious and very much appreciated.

Now it is time to start thinking about club events or rides, weekend and/or one day and volunteers to plan them. This is your club; we need input from all members for any events. We need your involvement to make this club successful this year as it has been in the past

See you at the September meeting.
Remember "together we trail – divided we fail".

Delores Scharmer, President
