## Association of Wisconsin Snowmobile Clubs AWSC

Unfortunately, American Income Life is no longer offering the Death and dismemberment to AWSC members.

AWSC is working with FESA (Federal Employee Service Association) to fill the gap of accidental death and dismemberments. FESA is not an insurance company, offering - \$5,000 at no cost for accidental death and dismemberment. Coverage is 24/7, not just snowmobile related. FESA has already donated \$500 to the AWSC Scholarship program. More discussion at our February general meeting.

Spring Convention/annual meeting will be held March 27-29, at Oneida Hotel & Conference Center, Green Bay. Complete information can be found at [www.AWSC.org](http://www.AWSC.org)■

Elections are coming up at the March general meeting. The club cannot function with only a few volunteers. It is a great opportunity for members to

step forward with new ideas and leadership, helping to keep our club great. Volunteers for meat raffle and brat fry are always needed. All officer positions are open as well as four board of director positions■
